

**PHYSICAL CHEMISTRY 2018**  
**Satellite Event**  
**3<sup>rd</sup> International Meeting**  
**MATERIALS SCIENCE FOR ENERGY RELATED APPLICATIONS**  
**September 25-26, 2018, BELGRADE**

---

## REGISTRATION FORM

**Name:** \_\_\_\_\_

**Title & Position:** \_\_\_\_\_

**Institution/Affiliation:** \_\_\_\_\_

**Address:** \_\_\_\_\_

**City and zip code:** \_\_\_\_\_

**Contact (email, phone):** \_\_\_\_\_

**Preferred session** (please indicate)

1. *Materials for electrochemical power sources*
2. *Catalysis, electrocatalysis and photocatalysis in energy conversion and storage*
3. *Application of ion conductors in energy conversion and storage*
4. *Application of polymeric materials in the energy conversion and storage*
5. *Hydrogen energy and hydrogen storage materials*
6. *Solar energy materials*
7. *The future of material science in the field of energy conversion and storage*
8. *Other - \_\_\_\_\_ (please specify)*
9. *First Steps in Materials Science - Student's Pitch presentation section*

**Student:**      YES      NO      (if YES please include confirmation/certificate)

**Regular presentation:** oral or poster / Pitch presentation session (please underline)

Please fill the registration form and send it to [materials@ffh.bg.ac.rs](mailto:materials@ffh.bg.ac.rs)
